

Thursday, September 8, 2016

I cannot believe these temperatures that we have been having this September so far! I thank all of our parents and guardians for their understanding of the need for a heat day. I hope that everyone enjoyed a nice, cool day off. Because we were not in session yesterday we will be sending home our regular Thursday folder today, Friday, September 9.

One very important item coming home this weekend will be a letter from your FFN (Falcon Family Network) President! It will give you a glimpse into how you can get involved here at St. Francis and when our meetings will be. We love to have anyone and everyone join us this upcoming **Wednesday, September 14 at 6:30PM** in the Upper Room.

Below are a couple of quick reminders for next week:

1. Our 4th graders will travel to Archbishop Hoban High School on Tuesday, September 13 to experience the Revolutionary War Days. **Please remember that all students should wear their normal uniform and bring a packed lunch.**
2. We hope you will be able to join us for the golf outing on September 17! All proceeds will benefit the youth of our Parish and School. Tomorrow will be the LAST DAY to reserve a spot. Please contact Heather Lagenek at 330-283-6373 to reserve your spot today, or view the flyer [via this link](#)! It's going to be a great time!
3. **Attention 8th grade parents:** We have received our Confirmation date from the Diocese and our students will be celebrating the sacrament of Confirmation Tuesday, April 25 @ 7:00PM with Fr. Michael Gurnick.
4. You may remember from last year that our students were recognized all over the building for SHINE-ing. This year, we would like to continue to foster a positive culture by acknowledging our students who SOAR by living the Falcon Five Daily. We will be introducing the Falcon Five award to students next week!

We are looking forward to seeing you all this weekend at our Parish Picnic! Have a wonderful weekend!

In Christ,

Miss Buzzelli
