We are so proud of all of the hard work of our 6th-8th grade students on their Science Fair projects. The feedback from the judges was that students were well prepared, research was precise, and that students truly demonstrated learning throughout this process. A big thanks to Mrs. McVicker, Mrs. Haver, and Mrs. Speranzini for all of their work in preparing our students!

There will be no school on Friday, February 15 or Monday, February 18. Enjoy!
